THE ARIZONA

DAILY

REPUBLICAN

CONTAINS

THE CREAM OF DOMESTIC AND foreign intelligence, interesting and valuable to every reader. The news presented has the most comprehensive view of all the important events transpiring in the world.

It affords pleasure to the management of THE REPUBLICAN to be entitled to acknowledge a steady and marked increase in the circulation. This, doubtless, is the best, as it is the most substantial, evidence that could be given that it is gaining the approval and confidence of the people. The more so is this gratifying, as the new subscribers rank among the best and most substantial residents of Arizona; these invariably have manifested their kindly feeling, not simply by becoming subscribers, but by their accompanying favorable and kindly expressions of appreciation.

The Columns of The Republican Show the earnestness of its purpose by the expansive thoroughness of its new-gathering methods, its carefully written editorials, and the exclusion from its columns of whatever would make it objectionable for entering the family circle—these evidences are most conclusive that an intelligent and discriminating patronage is the kind sought for. Besides giving full details of local occurrences and noteworthy events, special telegrams on all matters of interest to this Territory, as well as those regularly received through the Associated Press reports, will be published daily.

TO BE ABLE TO SERVE THE Best Interests of the Territory And to enable THE REPUBLICAN to fulfill its important mission of usefulness with a measurable degree of credit, every effort will be used in trying to comprehend the actual requirements of all classes throughout Arizona. Every assistance will be generously rendered in fostering and encouraging new enterprises.

The general tone and character of whatever is presented to the reader will be such as to make it

WORTHY OF PERUSAL Gradually correspondents are being secured at all advantageous points; thus every incident of interest occurring in any part of the Territory will be placed before our readers as speedily as electricity can send it. The REPUBLICAN will earnestly watch city, county and territorial affairs with the utmost jealousy in behalf of the people.

By following the course laid out, with the introduction of new and desirable local features that must cause THE REPUBLICAN to be more interesting than ever has been, it is hoped to make it indispensable to all who want the news of the day. It will be welcomed to every counting-room, and by every reader, as an instructive, pleasant visitor, and a Valued Friend and Advisor

No other State or Territory in the Great West is so thoroughly covered by the circulation of one paper as is Arizona by THE REPUBLICAN. It is equipped with ample facilities for the prompt publication of the news, and its large circulation is so systematized that it reaches its subscribers in all the important towns and settlements in the Territory on the day of publication.

THE Weekly Republican

IS PUBLISHED EVERY THURSDAY.

In addition to a full budget of home news, it contains a comprehensive summary of the happenings of the world and is peculiarly adapted to the farmer, the stockgrower and the miner.

Although less than one year old, it is already recognized as one of the representative weekly papers of the Great West, and besides its large circulation and influence throughout Arizona, has readers in nearly every State and Territory. Send THE WEEKLY REPUBLICAN to your friends in the East.
